On highway A3 you drive in direction Cologne/Köln until you reach the autobahn-triangle Cologne East/Köln-Ost, there you change onto A4 - direction Olpe until exit Moitzfeld/Herkenrath/Kürten (exit no. 20).

You leave the highway, keep left, and at the traffic-light you turn left – now being on the street called B-55 – direction Bergisch Gladbach-Zentrum/Bensberg.

Follow this street and drive straight ahead.

You will pass a crossing with traffic-lights as well as two pedestrian traffic-lights at the bus-station (on your left side) and – before you reach the next crossing with traffic-lights – you will see the rear side of the newly built 'Schloss-Forum Bensberg' with signs for the parking lot.

The garage is not open to the public. With our confirmation of appointment you will be informed whether a space in the garage is available.

Besides, there is a small parking lot next to the house. Please enter the building 'Schloss-Forum' through **entry North/Nord** at the opposite side of the building. Our offices are located on the first floor.

We wish you a pleasant trip.
